

Laptop Loaner Contract & Checkout Process

1. Verify Enrollment

- ☐ Confirm the student is enrolled in classes for the **current semester** (e.g., Fall 2026). Verify the student's **full name, student ID, and student email**

2. Complete the Loaner Contract

- ☐ Take a **new blank Laptop Loaner Contract** and a laptop
- ☐ Have the student **read and initial each contract clause**
- ☐ Add the student's **name, student ID, and student email** to the back of the contract

3. Set Up the Laptop with the student present:

- ☐ Turn on the laptop and assist with login
- ☐ Help the student access **SWC student internet/Wi-Fi, MySWC, Canvas**, etc.
- ☐ Contact **IT** if additional assistance is needed

4. Backpack & Box

- ☐ Ask if the student needs a backpack.
- ☐ If provided, record it in the Backpack Google Sheet. The student may keep the backpack.
- ☐ Keep the laptop box and mark it with an "OUT" label.

5. Contract & ServiceNow

- ☐ Make a copy of the completed contract and give it to the student.
- ☐ Keep the original for the ServiceNow ticket.
- ☐ Submit a ticket requesting the laptop be checked out to the student. Include:
 - Student full name
 - Student ID number
 - Laptop number

6. Update Tracking Sheets

- ☐ Add the laptop information to the shared Laptop Google Sheet.
- ☐ Update the Backpack Google Sheet

Important

Remind the student that they may **keep the backpack**, but the **laptop and charger must be returned** if they stop taking classes or are no longer eligible for the loaner program.
