

## Restorative Justice Program

### Laptop Loaner Program Student Agreement

---

The Restorative Justice Program offers a laptop loaner program for currently enrolled students who do not have access to technology. Inventory is limited and relies on the timely return of devices to ensure ongoing support for students with technology needs.

#### Terms and Conditions

As an enrolled Southwestern College student, I understand that the Southwestern Community College District is permitting me to use loaned equipment off-campus. By completing this form and picking up the device, I agree to the following:

- \_\_\_\_\_ I accept full responsibility for the loaned equipment. I will not loan, sell, or give possession of the loaned device to another individual.
- \_\_\_\_\_ I understand that misuse of the loaned device may result in the loss of borrowing privileges. This includes engaging in any illegal activities as outlined in [AP 5500 Standards of Student Conduct](#).
- \_\_\_\_\_ I will promptly notify the Restorative Justice Program team if the loaned device is lost, stolen, or damaged. If lost or stolen, proper documentation will be requested.
- \_\_\_\_\_ I will not attempt to modify, repair, remove, or alter any part of the device, including inventory labels.
- \_\_\_\_\_ I will not install unauthorized software or applications that could compromise the security or functionality of the device.
- \_\_\_\_\_ I agree to return the loaned device if I no longer need it during the semester or if I am no longer enrolled in courses.
- \_\_\_\_\_ Southwestern College reserves the right to request the return of the loaned device at any time, with reasonable notice, for inspection, maintenance, or other institutional needs.
- \_\_\_\_\_ I understand that failure to return the loaned device by the designated return date may result in a temporary registration hold on my student record and disqualification from future participation in the loaner program.
- \_\_\_\_\_ I understand that I am responsible for saving my files to an external hard drive or MySWC Google Drive prior to returning the device. I acknowledge that a manufacturer reset will be performed by the Institutional Technology Department, permanently erasing all data.
- \_\_\_\_\_ I agree to follow all return procedures as instructed.
- \_\_\_\_\_ I acknowledge that I received the device in good working condition. Any existing damage was documented at the time of checkout.

## Return Procedures

You will receive an equipment return notice and an extension request form a week prior to the end of the semester. This email notice will include instructions for returning your loaner equipment as well as guidance on how to request an extension. To qualify for an extension, you must be enrolled in the next academic term. If your extension request is approved, you will not need to return your device.

All loaned devices, including chargers, original packaging, and computer bag must be returned. Devices will be inspected upon return. **Any damage beyond normal wear and tear during the loan period, or failure to report a lost or stolen device, may disqualify you from borrowing equipment in the future.** Devices reported lost or stolen will be subject to tracking by the Institutional Technology Department. All user files will be erased upon return so please make sure you save any important files to an external storage device.

If you are unable to return the device by the specified date and location, contact the Restorative Justice team to discuss accommodations.
